PHYSICIANS/MIDWIVES:

Birthing Elements Doula Service

Melissa Fehr - main campus

I am a DONA trained Doula who can assist you and your partner through labor the natural way. Clinical studies have found that a doula's presence at birth tends to result in shorter labors with fewer complications, reduces the need for pitocin, methods of extraction, request for pain medication and/or epidurals and caesareans. Research also shows a greater success with breastfeeding and less postpartum depression. I would like to help educate and empower you so you can be part of the process needed to make the decisions for your and your child. I am here to assist you and your family for a more successful birth Your way.
